# Upskilling and talent development for corporates

## Readying recruits with our Hire-Train-Deploy solution

NSEIT DEX provides a future-ready, technologically integrated platform that leverages advanced digital tools with impactful learning and outcome-based results. We are a leading partner for EdTech and digital examination services. NSEIT DEX aims to improve employability and employment for young India. NSEIT equips corporates with recruitment and skilling solutions powered by a technology-led initiative to bridge the global skill gap. Employees are the most significant assets to any organization. NSEIT DEX's Hire-Train-Deploy model helps corporates solve employability issues and ensure they get the right resources. This solution will benefit organizations looking to crunch the training and project deployment timelines.

## Our solution - Hire-Train-Deploy model

Our Hire-Train-Deploy Model follows a systematic approach to talent acquisition and training aided by advanced technology.

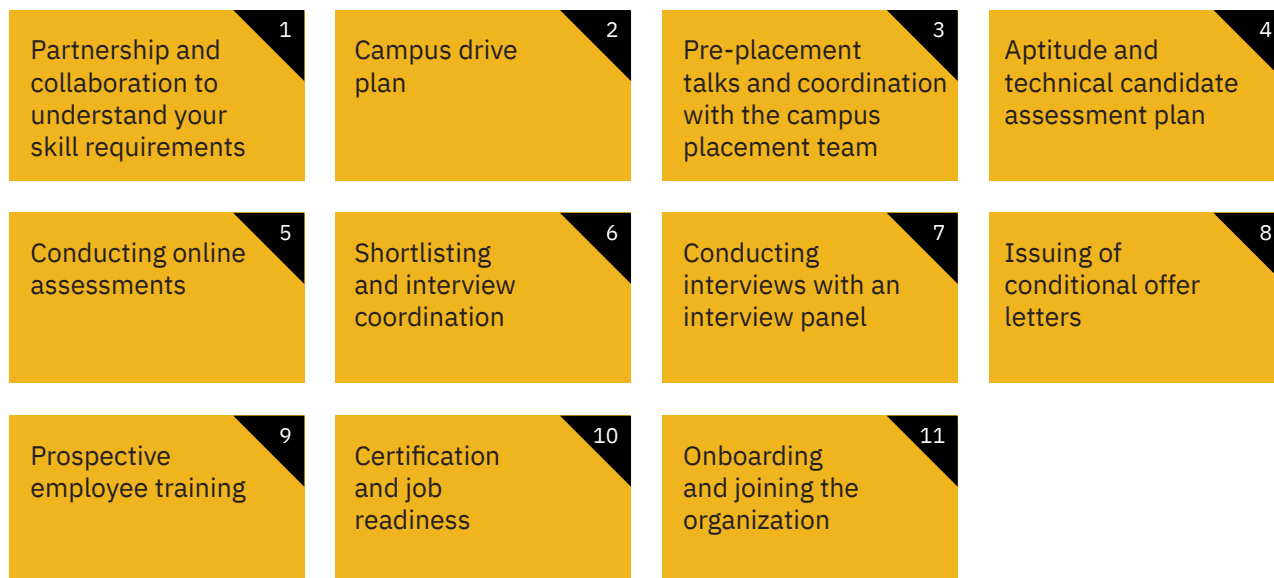

The first step begins with sourcing freshers directly from campuses or through lateral hiring. A rigorous screening and shortlisting process follow this.

The fourth step involves a robust plan to skill these recruits and get them job-ready to help you build your dream workforce by eradicating skill gaps.
