BROCHURE

Comprehensive digital solutions **for higher educational institutions**

Accelerating tech-enabled solutions for the future workforce

NSEIT DEX provides a future-ready, technologically integrated platform that leverages advanced digital tools with impactful learning and outcome-based results. We are a leading partner for EdTech and digital examination services. Our solutions include a suite of service offerings that will enable students and higher education institutions to achieve excellence and efficiency through digital transformation.
NSEIT DEX also aims to improve employability and employment for young India. NSEIT equips corporates with recruitment and skilling solutions powered by a technology-led initiative to bridge the global skill gap.
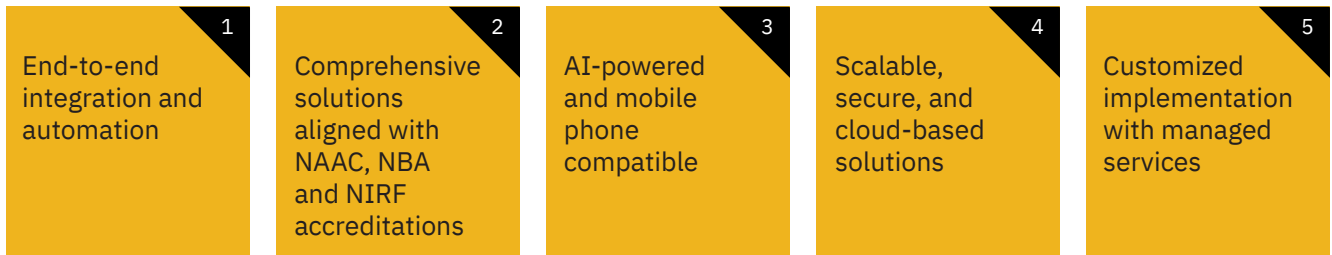

Our solution **- digital education solutions for higher educational institutes**

The COVID-19 pandemic has catalyzed digitalization across industries and created a paradigm shift in the education sector. Universities and institutes now rely on technology for continuity and stability. Therefore, higher education institutes must adapt to technological trends quickly and keep up the accelerated pace of the global industry. Our various digital solutions can provide a complete system overhaul for them and help create the next generation of skilled workforce.

Why **NSEIT DEX?**

NSEIT DEX is an EdTech solution provider and an integrated digital assessment service provider. We enable educational institutions, government organizations, and corporates to nurture the next-gen workforce. At DEX, our mission is to deliver job-relevant upskilling programs for students and professionals by leveraging our expertise as IT practitioners in digital transformation, software development, extensive infrastructure management, cybersecurity, and cloud services. We are empaneled with various academic institutions (2000+) and corporate partners. Together, we help organizations assess their future talent by conducting online assessments across 229 online test centers. DEX owns and runs India's largest network of test centers that are ISO 9001:2015 certified and can deliver a capacity of approximately 10 million+ exams every year.

About **NSEIT**
